

Snowmobiling 2008 - 9

General Information

- In **Grand Teton National Park**, snowmobiling is allowed only on the frozen surface of Jackson Lake for Best Available Technology (BAT) snowmobiles to provide access for ice fishing.
- In the **John D. Rockefeller, Jr. Memorial Parkway** snowmobiles are allowed on the Grassy Lake Road. Snowmobiles beginning a trip at Flagg Ranch must meet BAT requirements (see reverse for approved models). Snowmobiles entering the Parkway from the Targhee National Forest and traveling to and from Flagg Ranch, are not required to meet BAT requirements.
- In **Yellowstone National Park**, snowmobilers must be part of a commercially guided snowmobile tour. Commerical guide services operate out of Jackson, WY and other Yellowstone gateway communities.
- Entrance fees are \$20 for each snowmobile; or \$12 for each visitor 16 and older entering by foot, ski, snowshoe, etc. This fee provides the visitor with a 7-day entrance permit for both Yellowstone and Grand Teton national parks. All snowmobiles in Yellowstone must meet BAT standards (see reverse side).

Regulations

- A person operating a snowmobile must possess a valid motor vehicle operator's license. No temporary or learner's permits.
- Snowmobiles must be properly registered and display a valid registration from the United States or Canada.
- All snowmobiles must have a working headlight and a red taillight. Lights should be on at all times for safety.

Safety

- Travel on Jackson Lake is at your own risk. Be aware of changing ice conditions.
- Be alert for oncoming snowmobiles on Grassy Lake Road.
